

**Drink AOX** – The most effective natural antioxidant alkaline water

### **Many wonderful health benefits of Silica found in AOX water**

- ✓ Improves mobility by improving the elasticity of the joints.
- ✓ May hinder the pain of osteoarthritis and rheumatism.
- ✓ By taking part in the synthesis of elastin and collagen, Silica regenerates skin and the vascular walls.
- ✓ Can assist diabetes by encouraging synthesis of elastase (an enzyme) inhibitor by the pancreas.
- ✓ May assist in the prevention of Alzheimer's disease by inhibiting the body from absorbing aluminium and may flush our aluminium from the tissues.
- ✓ Assists in the prevention of kidney stones and heal infection of the urinary tract. It is a natural diuretic, which can encourage excretion by 30%.
- ✓ Can hinder the effects of coronary disease by fortifying blood vessels.
- ✓ Aids in the repair and maintenance of vital lung tissues and defending them from pollution.
- ✓ Decreases swelling due to its positive effects on the lymphatic system.
- ✓ The presence of adequate Silica in the intestines will diminish inflammation of the intestinal tract. It can cause disinfection in the case of stomach and intestinal catarrh and ulcers. Silica can avert or clear up diarrhea and its opposite, constipation.
- ✓ Can assist in normalizing hemorrhoidal tissues, while lessening lower back pain.
- ✓ Works as a supportive treatment for inflammation of the middle ear.
- ✓ May normalize circulation and regulate high blood pressure.
- ✓ May stimulate cell metabolism and division.
- ✓ Delays the aging process.
- ✓ Beautifies hair with luster, elasticity and vigor.

All of us need Silica, regardless of our age. It is as important to provide the body dietary sources of Silica early in life as it is during the aging process when Silica levels in tissue usually drop off steeply. Silica has an exact absolute influence on absorption of all minerals that the body requires to maintain health. It adds to the quality of life!

**Tested by SGS for Silica content in AOX Water:** (Test Report No. 10186402)

Silica ( SiO<sub>2</sub> ) : 54.2mg/L
